Butler, Pa., Sept. 20.—It has become known that for three weeks the federal government has been on the trail of a snake. Postoffice inspector Geo. W. **Killed in a Theater.**

Los Angeles, Cal., Sept. 20.—While enjoying the moving pictures in a roofless air dome here last night, Rudolph Gastelum, a visitor from California, was mortally wounded by a bullet fired by some one whom the police have been unable to find. Gastelum died on the way to the hospital. There was no warning report. No one in the theater or its vicinity heard the shot. One theory is that the bullet was fired from one of the new noiseless guns. Another is that it was a carelessly fired bullet from a distance.

**THE NEW POSNER BUILDING.**

Work on Posner's new building, corner San Antonio and Mesa, is progressing rapidly but it will not be ready for occupancy for some time yet. It was originally planned to open the building by September 15, but it is probable now that it will be fully two weeks later than the original date planned before the building will be completed and ready for business. In the meantime, Posner is making a preliminary showing at the old location. Radical price concessions are offered, not only on fall millinery of all kinds but also hair goods, ribbons, not to mention the mammoth sale of ostrich plumes. This plume sale, which began last week, is the talk of El Paso. The people who have made comparisons do not hesitate to say that Posner's plumes are superior and prices are lower than anywhere in town. The imported Parisian hats intended for the opening of the new store will be shown at the old location, No. 3 Pioneer Plaza, to all those who are interested in superb millinery.

## CLOSER RELATIONS FOR COUNTRY CLUBS

Privileges of Douglas, Bissbee and El Paso Clubs to Be the Same.

Douglas, the Warren district and El Paso are to be more closely united even than at present when these three communities are already as close as three boys in bed.

The Douglas, Warren District and El Paso Country clubs are perfecting an arrangement by which the members of each of these three clubs may enjoy the privileges of the other clubs at any time, the arrangement being equivalent to a non-resident membership in the two clubs in addition to the home club of the member.

This plan was first suggested by Walter Douglas, who is one of the most active clubmen in the southwest. The suggestion was immediately acted upon by each of the clubs and a committee from each club was appointed to meet from time to time at the Warren District club in Bissbee and perfect the plan. Dr. C. P. Brown, of the El Paso clubs, attended the meeting as the representative of the local Country club. The meeting was unanimously in favor of the proposed plan and its action will be ratified by the board of directors of the three clubs at their regular meetings. The El Paso club will have a meeting Tuesday evening to hear Dr. Brown's report and will take favorable action upon it.

By the new arrangement, it will be possible for the three clubs to exchange privileges with the members of the other clubs. Instead of being an invited guest while in the same city where the club is located, the visiting clubmen will be able to enjoy all of the club privileges. This is in keeping with the purpose of the three clubs, for these organizations have been one of the greatest factors in the cementing the friendships of the three cities.

It is expected to have the plan in operation before the annual golf contest here on October 15 and 16, which will be an informal celebration of Taft-Diaz day. Letters have been received by chairman C. H. Leavelle, of the sports and pastimes committee of the Country club, from the Douglas and Warren District clubs, stating that a full quota of golfers will be over for the annual contest. Douglas is planning to send a 20 man team to compete for possession of the silver trophy cup. The Warren District club will also send a team to compete in the contest.

A foursome match is also being arranged for the championship of the southwest in two men play. The two men making the lowest medal score in the contest will qualify for the foursome and a special trophy will be offered for this match. Individual prizes are also to be offered for the winners of the various events, both in golf and tennis.

## AMUSEMENTS.

**NEW BILL AT MAJESTIC.**

"Lady Wall Street" is the new bill at the Majestic, which drew a good house and pleased the patrons Monday night. It will run until Thursday. The action of the piece is lively and it is full of specialty numbers, about the prettiest of which is the telephone number, "Call Me Up Some Rainy Afternoon," by Miss Shattuck and chorus, and Patsy Gerald's parodies. Gerald is the new member of the company. All the former members are retained and Mr. Gerald is added to the cast.

Some pretty new costumes are worn and as usual, there is an electrical novelty. The musical numbers include: Good by Little Girl; Temptation Rag; Pa's Typewriter; Call Me Up Some Rainy Afternoon; Oh, What I Know About You; My Dusky Rose; and Mr. Gerald's Parodies.

**OPENING OF THE HAPPY HOUR.**

The management of the Happy Hour theater was tendered a splendid testimonial by El Pasoans last night.

Every one of the 1200 seats upstairs and down was taken and the show was a success, judging from the way it was received. Miss Danes with her sensational snake act was featured. Savoy and Savoy kept most of the big audience in a roar during the performance, and Miss Ray Montgomery made a big hit with most of the people with her songs and her jokes. Mack and Co. also made many people laugh.

All in all, the large house was well satisfied.

The matinee Wednesday and Saturday promise big crowds.

"The Happy Hour" deserves the best patronage and encouragement for the attractions offered, lots of people said last night after witnessing the first number of the new season's offerings.
